Dear Mrs. Angle:

This letter is to inform you that you are currently rated an "A" by the National Rifle Association Political Victory Fund. With respect to legislative or gubernatorial candidates, the "A" rating is used in our General Election Political Preference Chart to describe candidates who are "solidly pro-gun," and "have expressed strong support for NRA positions on Second Amendment issues."

During your tenure in the Nevada State Assembly, you set yourself apart as a legislator who was willing to tackle any issue, big or small, if it meant protecting the interest of Nevada's firearms and shooting sports community. It is for this reason, as well as your responses to the NRA-PVF Candidate survey, which have garnered you a solid "A" rating.

Please note that this letter should not be construed as an indication of support or endorsement for an election bid, however you may use it as an official publication of your "A" grade during the course of the Primary Election.

Sincerely,

STATE & LOCAL AFFAIRS DIVISION
CAROLYN HERBERTSON, NEVADA STATE LIAISON
