# Sharron Angle Opposes AJR 9 At Nevada Legislature

***“It’s Time To Keep Promises And Repeal  
Obamacare, Government Does Not  
Belong In A Free-Market.”***

**Reno, Nevada:** - Sharron Angle gave a brief interview opposing AJR 9, a resolution in the Nevada Assembly that urges Congress NOT to repeal the Patient Protection and Affordable Care Act. **Sharron Angle, outspoken advocate for free-market healthcare insurance, spoke out against AJR 9, a resolution sponsored by Assemblywoman Joiner and most of the Democrat Assembly caucus, which was recommended “do pass” out of a work session on Monday April 10.**

“The repeal of Obamacare is a promise issue,” Angle said in a white paper posted on her website [www.sharronangle.com](http://www.sharronangle.com). She cited the November Republican loss of the legislative majority as a result of the failure of Nevada Republicans to repeal Obamacare in Nevada when they had the opportunity. “What happened in Nevada could very well happen in 2018 in Washington DC if Republicans fail to keep this promise.”

So far the repeal effort has failed at the Federal level but Angle insists, *“Conservatives hated the bill because it was Obamacare light and Liberals don’t want to repeal Obamacare.”* She encourages voters to, *“Look at the record on Obamacare and other votes to see where your representative’s loyalties really lie. Is he with the Freedom Caucus liberty fighters or just another get-along-to-win the next election politician.”*

**Sharron Angle Is A Fighter:** Mrs. Angle sponsored a voter initiative to repeal Obamacare but was unable to garner enough signatures by the deadline to place it on the November 2017 ballot. There is a balanced approach that needs to be heard in Washington DC, and Sharron Angle is that voice.
