“Senator McConnell Is A Terrible Person, And Has Done Terrible Things To Other Republicans And The American People”, Sharron Angle Responds To Vicious Personal Attack From Republican Leader Of U.S. Senate

Reno, Nevada: - Sharron Angle, after remaining graciously silent for 7 years, responded to a vicious personal attack by Republican Senate Majority Leader Mitch McConnell that he made from the White House Rose garden while responding to reporters with President Trump.

Sharron Angle Reveals The Truth About Senator McConnell: *“I’ve remained graciously silent for 7 years about Senator McConnell. After winning the Republican primary in 2010, I met with Senator McConnell privately in his Washington D.C. office. In that meeting Senator McConnell said “I know (Senator) Harry Reid, I understand Harry Reid, and I can work with Harry Reid”, and then did everything he could to undermine my campaign to win the general election. I am not the only Republican Senator McConnell has done this to. Senator McConnell is a terrible person, and has done terrible things to other Republicans and the American people. As a Republican woman, I will not stand silent while this man viciously attacks me from the White House.”* Sharron Angle said after reviewing Senator McConnell’s comments.

Sharron Angle On Senator McConnell’s Pending Retirement?! *“Senator McConnell should retire from the U.S. Senate immediately. He isn’t working with the President, he’s working against him. He’s not interested in helping elect Constitutional Conservative to the U.S. Senate, he wants a bigger “Establishment” to benefit his family and friends. He has no interest in repealing Obamacare or tax reform. **Senator McConnell is a part of the problem in Washington D.C., and has no plans for any solutions, just bigger more powerful “Establishment” government. Senator McConnell should announce his retirement today, and go home.** He has lost the confidence of the American people, and for good reason, he does not share their interests, and works against them. That’s terrible!”*, said Mrs. Angle. *“If we are going to make the changes we voted for in 2016, we’ll need big changes in 2018, and I will continue to advocate and lead for those changes.”*
