Your Own Identity, It Should Be Law”***

Reno, Nevada: - Sharron Angle will be holding a press conference today at 2 pm, in the Reno Town Mall at Nevada Matters, 4001 South Virginia Street.

Sharron Angle Can Explain How This Happened: *“Each of us owns our own identity, we are not digital slaves. We need a law so everyone understands this much better”,* said Mrs. Angle.

Sharron Angle Is A Fighter: Angle fought all the way to the US Supreme Court to preserve the 2/3 vote requirement to pass taxes and fees in the Nevada Constitution and won. There is a balanced approach that needs to be heard in Washington DC, and Sharron Angle is that voice.
