**SHARRON ANGLE PRESS CONFERENCE TODAY
2 PM AT BIZZARE GUNS ON DATA COLLECTION**

***“All Americans Are Being Swept Into A
Massive Data Collection To Stop Guns”***

Reno, Nevada: - Sharron Angle will be holding a press conference today at 2 pm, at Bizzare Guns, 2677 Oddie Blvd in Reno. The topic will be a little known section of the Omnibus Spending bill, passed with the help of Congressman Amodei, that will collect data on every American to restrict the 2nd Amendment and your right to purchase firearms.

Sharron Angle Can Explain How This Happened: *“This is how Congressman Amodei has fooled everyone in Nevada. He promised to protect us, then voted to hurt us. What he has done to the 2nd Amendment will surprise everyone. It's not a laughing matter, and I will explain why”,* said Mrs. Angle.

Sharron Angle Is A Fighter: Angle fought all the way to the US Supreme Court to preserve the 2/3 vote requirement to pass taxes and fees in the Nevada Constitution and won. There is a balanced approach that needs to be heard in Washington DC, and Sharron Angle is that voice.
