

ALIPAC Endorses Sharron Angle for Congress Against Amnesty Backing Rep Mark Amodei

For National Release | May 24, 2018

Americans for Legal Immigration PAC (ALIPAC) is endorsing Sharron Angle for Congress in Nevada's Second district due to Angle's strong support for America's existing border and immigration laws as opposed to sitting Rep. Mark Amodei's support for Amnesty for illegals.

Sharron Angle has completed ALIPAC's 2018 Federal Candidate Survey ([View](#)) where she pledges to "Support Americans and legal immigrants by supporting the adequate enforcement of America's existing border and immigration laws as the US Constitution requires for the protection of American jobs, elections, taxpayer resources, health, and lives."

Incumbent Republican Mark Amodei has the opposite view and is on ALIPAC's "[Cantor List](#)" due to his support for Amnesty for illegal immigrants, which would further compromise America's borders, immigration laws, security, and elections. ALIPAC helped defeat GOP incumbent Eric Cantor due to his alignment with Amodei on Amnesty.

Rep. Mark Amodei's Amnesty Supporter Profile ([View](#)) at ALIPAC has documentation showing his support for putting 11 million illegal aliens on a pathway to citizenship and voting rights, which earned him praise from notorious Amnesty backing organizations like the National Council of La Raza (now called UnidosUS) and Think Progress!

Mark Amodei opposed Congresswoman Marsha Blackburn's bill H.R. 5272, which would have frozen Obama's blatantly unconstitutional DACA Amnesty program, proving that **Amodei sides with Obama on immigration issues.**

"The Republican voters of Nevada's Second district have a clear choice between Sharron Angle, who opposes Amnesty for illegals, and the corrupt incumbent Mark Amodei, who clearly supports Amnesty for millions of illegals," declared ALIPAC's President [William Gheen](#). "Our polling shows large majorities of GOP primary voters prefer Sharron Angle's stance on immigration issues. As long as Amodei is not able to be saved by [illegal immigrant voters](#) like Senator Harry Reid was in 2010, Angle should have a 2 to 1 advantage against Amodei's Amnesty record with GOP primary voters."

ALIPAC has a large collection of certified polls ([View](#)) which show large majorities of Americans oppose Amnesty and illegal immigration.

ALIPAC recently commissioned a certified poll through Barometer Polling which found likely GOP primary voters reject Rep. Mark Amodei's Amnesty plans 2:1 ([View Poll](#)).

ALIPAC supporters from all 50 states are now being encouraged to donate to [Sharron Angle for Congress](#) and to volunteer to help her campaign! Her campaign has now been added to ALIPAC's Standing Endorsements list. ([View](#))
