ANGLE FILES FOR CONGRESS

“It’s official. I’m running because CD2 deserves better.”

Reno, Nevada: - Sharron Angle filed today in Carson City for Congress District 2. She cited Amodei's soft positions on Obamacare and immigration among the reasons she decided to run for second congressional (CD2) seat that covers ten northern Nevada counties.

“Based on his 43% conservative voting record since he took office in 2011, Mark Amodei lacks the values of our District,” Angle said, “Mark’s budget votes have led to a drastic increase in the interest payment to our debt, which the CBO has called a threat to our national security. Mark votes to continually fund abortions, which demonstrates to the children of our district that he doesn’t value their lives. Mark has stood by and allowed the Democrat Party to tell the women of our nation that they must get up and go sit in the back of the bus, giving up their right to bathroom privacy simply because a man said so,” Mrs. Angle continued, “Mark has continually voted for amnesty and to fund Obamacare.” She concluded by saying, “Mark refused to join his party to vote for a bill that curtailed the abuses of radicals in our government from using agencies to spy on the citizens of our district (S139). Mark refused to impeach an IRS commissioner caught lying. If Mark Amodei doesn’t have the backbone to protect his district from radicalized government employees, then how can we trust Mark?”

She said she jumped into the race after hearing rumors that Amodei might not run for re-election.

"He said he wasn't sure he was going to run, but I was sure last March," Angle said. "I believe that America deserves better and Nevada deserves better. The voters of District 2 DESERVE to know the real Mark and how his votes are hurting our lives and future lives of our children.

It's time for someone to stand up for us."
